

Demystifying Health Insurance Coverage for Youth with Autism or Behavioral Health Needs

Tuesday, May 24, 2022

6:30pm - 8:00pm via Zoom

Presenter:

Amy Weinstock, Director of the Insurance Center for Autism and Behavioral Health

Join us for a primer on how to navigate commercial insurance benefits for youth in Massachusetts. Are you a parent or caregiving looking for treatment for your child with a behavioral health challenge, but are confused about where to start? Or maybe you are seeking in-home behavioral health care for your child, but aren't sure if these services are coverage by commercial insurance?

Topics Include:

- * Overview of the new Behavioral Health for Children & Adolescents (BHCA) Services
 - * How to determine eligibility and coverage
- * MassHealth and how it can help people with private insurance
- * The effect of BHCA on CBHI, Educational Services, etc.
 - * Frequently asked questions & resources
